

Stortford Archery Club Championships 11th September 2022

Overall Handicap Champions

This is based on the handicap from 3 qualifying scores for ANY round and bowstyle. There is no differentiation between for example compound and recurve or barebow and longbow. They are all lumped together. The allowance for the round is based on that round being shot. A bigger allowance is given for the longer rounds and a smaller allowance is given for shorter rounds. This method is used for the Overall Senior , and Junior Club Champions and the overall Novice Champions (shooting less that 12 months)
